

## PRO-FOCUS BELT SILICONE SPRAY

**Pro-Focus Silicone Spray** is a high-quality lubricant based on pure silicone oil. It is a colourless and odourless lubricant for light loads.

- Colourless and odourless lubricant.
- Transparent lubricant and anti-adhesive agent based on silicone oil.
- Repels moisture, insulates and prevents the build-up of dirt and dust.
- Application as a lubricant on locks, hinges, wiring, rubbers, zippers and cables.
- Prevents creaking and squeaking.
- Protects against hardening and freezing of rubber parts.
- Protects plastics from discoloration

### User instructions:

Shake before use. Apply to the parts to be lubricated or protected. Allow the volatile components to evaporate before mounting. Remove excess product with a cloth.
